

## AI Enabled Partially Proctored Online Exam Portal

This document contains all the steps and information that helps you to attempt an exam in ouronline test portal.

**Step 1:** Navigate to exam application using provided URL 20-30 minutes before exam commencement time. You will get this screen.

**Step 2:** Use valid username and password provided to you by your school to enter your account. While using user id take precaution (all letters are in lower case). If facing any issues immediately contact your school before the exam starts.

Step 3: You get this screen. Click on Paper(s) button to see the list of exams open for you.

Step 4: You get this screen. Click on Start Paper button to start the exam.

**Step 5:** After that you get this screen. Exam will start at fixed time only. But here you will get the detailed instructions about the examination you will be going to proceed.

Step 5: Click on button Save & Next once you choose an option for the question.

End Paper Select Question ~	Student 987
Paper Information	
Quiz Name : Demo Test For Jammu Subject : Maths Start Time : 11:16 PM End Time : 11:26 PM	Question 1 :- Fill in the blanks 3 X = 12
Attempted 0 out of 7	0 1
00:09:45	2 3
l Next »	
	Save & Neligi Save Answer
1 2 3 4 5	6 7

**Step 6:** During Examination, if you want to skip the question and want to attempt other question, you will directly go to that question by clicking on that question number. If you want to change the option of already submitted questions that is also possible, you just have to click the question number, change your option and save.

As you all know, it is AI enabled partially proctored examination, changing tab or minimizing browser will be treated as cheating and paper will automatically be submitted if you are caught doing this. You can't reattempt the exam if it is submitted once and report will automatically be delivered to your admin.
